

## Appendix C: Updated Viewpoint List

Viewpoint No.	Location	OS Grid Reference	Distance Band and Direction	Reason for Selection
VP1	A836 above the Crask Inn	252292, 925057	10 – 15 km North-east	Overlooking local stopping point on otherwise undeveloped route. Also illustrative of cumulative effects.
VP2 (Excluded)	A836, bridge by Dalnessie entrance	257480, 913947	10-15km East	Key route (Excluded as same receptor groups as VP8 and similar distance and direction as VP9).
VP3	Saval	259173, 908273	10 – 15 km East	Representative of views from scattered residential properties. Also illustrative of cumulative effects.
VP4	Rhilochan	274824, 906805	25 – 30 km East	Representative of views from residential area to east of Proposed Development. Also illustrative of cumulative effects (VP reintroduced to ensure adequate representation of views from this area)
VP5	Ben Hee	242653, 933938	20 – 25 km North	Popular summit and Corbett within WLA 37 – Foinaven – Ben Hee. Also illustrative of cumulative effects.
VP6	Rosehall	247028, 902032	0 – 5 km South	Representative of views from small settlement and A837 'A' road, close to the site (VP position adjusted slightly to ensure a clear view of turbines).
VP7	High Road	260226, 904804	10 – 15 km East	Representative of scattered residential properties. Also illustrative of cumulative effects. (VP position adjusted slightly as recently built house obscures view from original location).
VP8	A836 - A838 Junction	257326, 909947	5 – 10 km East	Views from public road junction and representative of scattered residential properties.
VP9	Achnairn caravan and camping site entrance	255793, 912701	5 – 10 km East	Visitor gathering and representative of scattered residential properties.
VP10	Ben More Assynt	231833, 920148	10 – 15 km North-east	Popular summit and Munro within Assynt – Coigach NSA and WLA 34 – Reay – Cassley. Also illustrative of cumulative effects.
VP11	Glencassley road to south of Castle	244489, 906224	0 – 5 km West	Representative of views from minor road and Glen Cassley (VP moved from position north of castle due to change in theoretical visibility).
VP12	Glencassley road by Langwell Hill	240664, 912269	0 – 5 km West	Representative of views from minor road and Glen Cassley.
VP13	Ben Klibreck	258529, 929903	20 – 25 km North-east	Popular summit and Munro located on the edge of the Ben Klibreck and Loch Choire SLA and within WLA 35 – Ben Klibreck - Armine Forest. Also illustrative of cumulative effects.
VP14	A838 near West Shinness	252823, 915428	5 – 10 km North-east	'A' road and representative of views from scattered residential properties.
VP15 (Excluded)	A838 Cnoc an Laoigh	249866, 919210	5-10km North-east	Road route (Excluded as same receptor group and similar distance to VP14)

VP16	Minor road at Inveroykel forest access	247391, 900319	5 – 10 km South	Minor road and representative of scattered residential properties. Also illustrative of cumulative effects.
VP17	A836 at Allt na Fearna	258238, 901712	5 – 10 km South-east	Representative of views from section of A road and Moray Firth National Tourist Route (VP position adjusted due to recent growth of tree and to ensure it is representative of views from the road).
VP18	Carn Chuinneag	248364, 883325	20 – 25 km South	Popular summit and Corbett within WLA 29 – Rhiddoroch - Beinn Dearg - Ben Wyvis and on edge of Fannichs, Beinn Dearg and Glencalvie SLA. Also illustrative of cumulative effects (VP reintroduced to ensure representation of the southerly view.)
VP19	Seana Braigh	228181, 887872	25 – 30 km South-west	Popular summit and Munro within WLA 29 – Rhiddoroch - Beinn Dearg - Ben Wyvis and Fannichs, Beinn Dearg and Glencalvie SLA. Also illustrative of cumulative effects.
VP20	Cul Mor	216208, 911909	25 – 30 km West	Popular Corbett summit in Assynt Coigach NSA and WLA 32 – Inverpolly – Glencanisp.
VP21 (Excluded)	Creich Broch	241184, 911214	0-5km West	Glen Cassley valley, cultural heritage feature. (Excluded as cultural heritage features not within LVIA scope and very close to VP12)
VP22 (Excluded)	SE slope, Leathad Dail nan Claibh	238952, 914096	0-5km North-west	Glen Cassley valley, WLA 34 (Excluded as unlikely to be visited by visual receptors)
VP23	Meall an Aonaich	233603, 916412	10 – 15 km North-west	Summit within Assynt Coigach NSA and WLA 34 – Reay – Cassley.

Note: VP numbers shown are those from the original Glencassley Application and 2019 Scoping Report which are used here for continuity. VPs will be renumbered for inclusion in the EIA Report.
