

Grid Ref: 242847 794138 Distance to development: 9.1km AOD: 365.4m

0 1 km
Scale: 1:25,000 @A3

From the western end of the U2104 Laggan - Garvamore - Melgarve road at Melgarve bothy, follow a rough track and path south-west and then south for 3km towards Shesgan bothy. Turn left before reaching the bothy onto a fainter footpath and continue along this for around 2km to reach the VP. Access to this VP requires appropriate equipment and a good standard of fitness.
