Wireline drawing

View flat at a comfortable arm's length

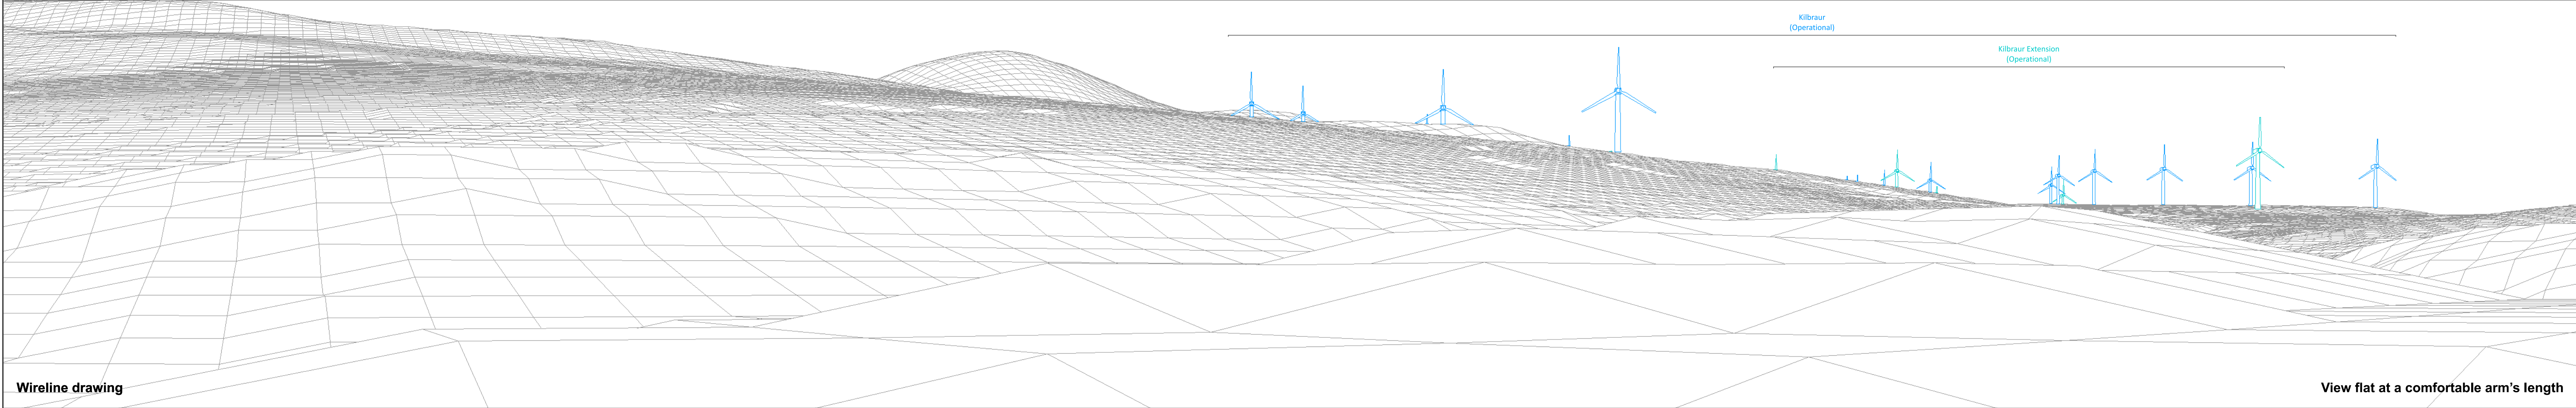

Gordonbush Extension Wind Farm
Figure 11.3.1b - Wireline from Kilbraur Hut Circle (90°)

Note: The landform mound appearing in the foreground of this photograph is a localised feature which is not of sufficient size to be picked up on Ordnance Survey T5 terrain data and therefore, not shown on the wireline. This discrepancy has not affected the assessment for this cultural heritage site.

Drawing No. - 118021-D-CH-11.3.1b
