

Grid Ref: 241679 803397 Distance to development: 4.7km AOD: 813.9m

Ascend the main access track to Glendoe Hydroelectric Scheme and Stronelairg Wind Farm to a point at NH 416 064. Follow the burn southwards for around 3.3km to ascend the northern shoulder of Carn a' Chuilinn. The VP is located on the northern side of the summit cairn. Access to this VP requires appropriate equipment and a good standard of fitness
