

SCHEDULE 3

Regulation 5(1)

Notice to Owner by Applicant

The Town and Country Planning (Hazardous Substances)

(Scotland) Regulations 2015

Notice under Regulation 5 to Owner of Land to which an Application under Regulation 6, 7 or 8 relates

An application for hazardous substances consent has been made by SSE Renewables via their agent SLR Consulting Limited.

This application is for a General Application for Planning (Hazardous Substance) Consent to accommodate the construction and operation of a new Hydrogen electrolyser facility and Battery Energy Storage System (BESS) at their existing Gordonbush Windfarm facility, which is approximately 12km North-West of Brora, Sutherland.

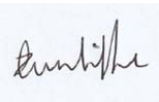

This application is being made to The Highland Council.

If you wish to obtain further information on the application or to make representations (including comments or questions) you should contact the planning authority at The Highland Council, Glenurquhard Road, Inverness, IV3 5NX.

The application may be granted (either unconditionally or subject to conditions) or refused.

Signed:

Z. Cunliffe

On behalf of SSE Renewables.

Date: 30th March 2022.
