From Dores, follow the B862 south, which travels uphill and away from the loch, rather than turning onto the B852 which continues along the loch-side. Continue for 2.3km along this road, until reaching a private driveway that turns off to the west (right) of the road. Pull into this driveway and park without causing an obstruction. The viewpoint is located at the northern end of the driveway, near the junction with the B862.
