From Drumna Droichit, travel eastwards on the A82. Approximately 850 meters after the River Enrick crossing, turn left onto a minor road. Drive uphill for around 700 meters and turn right, then follow the road for another 500 meters. Pull over to the side of the road into a passing place, and park without causing obstruction. The viewpoint is located on the right side of the road in a passing place, before a patch of woodland.
