Dear Josh

TANGY IV WIND FARM - ADDITIONAL INFORMATION

CONSENT UNDER SECTION 36 OF THE ELECTRICITY ACT 1989 AND DEEMED PLANNING PERMISSION UNDER SECTION 57(2) OF THE TOWN AND COUNTRY PLANNING (SCOTLAND) ACT 1997 TO CONSTRUCT AND OPERATE TANGY IV WIND FARM, 3 KILOMETRES SOUTH OF KILCHENZIE, IN THE ARGYLL AND BUTE COUNCIL PLANNING AUTHORITY AREA

I refer to the application for Tangy IV wind farm made by SSE Generation Limited, dated 6 September 2018. SSE Generation Limited (the applicant) has now submitted additional information to Scottish Ministers, which includes information relating to forestry.

Six drawings referenced in EIA Report Volume 4: Technical Appendices (Appendix 16.1: Long Term Forest Plan) were missing from the submission made on 6 September 2018.

The additional drawings will be advertised in accordance with the Electricity Works (Environmental Impact Assessment) (Scotland) Regulations 2017 and placed on public deposit. It is proposed that the closing date for the consultation is extended until 23rd November 2018.

I enclose two copies of the complete submission on CD. I note that the updated file was emailed to you on 9th October 2018 for upload to the energy consents website.

Yours sincerely
