

Grid Ref: 267353 928879    Nearest visible turbine: 22.7km    AOD: 694.07m

*This VP is accessed by following Scottish Hill Track 342 from the B871 near Badanloch Lodge to the base of the hill. From here there are no direct paths to the summit. A more gentle ascent can be made by following the Halmadarie burn on the eastern side via Meall nan Aighean. A steeper ascent can be made from near Loch Choire House via Meall Àrd.*
